

# Staff Augmentation for IT Consulting Company

## PROJECT DETAILS

 IT Staff Augmentation

 Jan. 2021 - Nov. 2022

 \$50,000 to \$199,999

“

*"I am very glad that I came across Ahex Technologies."*

## PROJECT SUMMARY

Ahex Technologies was hired to augment a development and IT consulting firm's staff. They've completed a twelve-month recruitment process where they've found five resources.

## PROJECT FEEDBACK

The vendor was able to successfully execute the project. The client was most impressed with the team's clear communication, competitive pricing, and high-level priority toward customer satisfaction. The client described them as having the right mindset of providing superior service to clients.

## The Client

Please describe your company and your position there.

MobiSprint is a Software development and IT consulting company. We are into both services and products. I head Global Sales for MobiSprint.

## The Challenge

For what projects/services did your company hire Ahex Technologies ?

Staff Augmentation for a project

**5.0**

Overall Score

Quality: 5.0

Schedule: 5.0

Cost: 5.0

Would Refer: 5.0

## The Approach

How did you select this agency and what were the deciding factors?

Response timeliness, quality of candidates and overall cost

Describe the project in detail and walk through the stages of the project.

This is a straightforward staff augmentation project where we had taken 5 resources from Ahex for a period of 12 months+

Describe the recruitment process in detail.

The selection process consisted of three rounds of technical interviews with the candidates.

## The Outcome

Can you share any outcomes from the engagement that demonstrate progress or success?

The project was executed successfully and on time. The main credit goes to the sincerity and commitment towards work from every team member involved. Developers from Ahex were very responsible in execution of task and very prompt.

How effective was the workflow between your team and theirs?

The engagement was successful and worked well.

What did you find most impressive or unique about this company?

Clear communication, competitive pricing and high-level priority towards customer satisfaction

Are there any areas for improvement or something they could have done differently?

I am very glad that I came across Ahex Technologies. They have the right mindset of providing superior service to clients. Employees at Ahex are very good and we would love to work with them on multiple opportunities in the future.
